Major Awards

2018/2019

President's Trophy

Most Outstanding Member - Anthony Reyntjes

Chris J Allen Memorial Patrol Trophy

Most Efficient Patrol - Not Awarded

Karl Edwards Memorial Award

Most Valuable Lifesaver - Indiana Flexman & Jay Moss

Rosemary Zuluaga Memorial Award

Most Outstanding Female Member - Jodie Reyntjes

Most Outstanding Junior Male - Jason Scammell

Most Outstanding Junior Female - Olivia Jenkins

Most Outstanding Competitor - Daryl Hauenstein

Best Overall Contribution to Competition - Daryl Moss & Ian Blanchonette

Best Individual Competitor at Australian Championships - Daryl Hauenstein

Best Team at Australian Championships

Masters 180 years Boat Crew

Wesley Avery, James Edmonds, Shayne Lee, Tony McKenna, Brett Thompson (Sweep)

Best Competitor at Victorian Championships

Male - Drew Green

Female - Jasmine Happ

Most Improved Competitor - Puck Klaassen

Toff Award

Based on number of awards gained throughout the season

Sophie Costa, Drew Green, Sophie Gordon, Kiah Shanahan

Patrol Service Awards

30 Year Medal - Rebecca Johnson (Talbot)

20 Year Medal - Tim Hunter & Michael Lewis

15 Year Medal - Ian Blanchonette

10 Year Medal - Tony McKenna, Graeme Neander, Peter Saw

Linfox Junior Safety Award - Ruby Papworth

Under 14 Nipper of the Year - Stephanie Reade

Nipper Accomplishment Award U8 to U14

Charlie Papworth, Stephanie Reade, Ellie McCoy, Ella Grant, Sienna Sorensen, Maisy Renney, Charlie Downes, Jack Ellis, Sarah Currie, Adam Scammell, Will Gibb, Sam Thompson, Lulu Higgins

President *Aaron Green*

We have just completed another exciting, but challenging year for the Jan Juc Surf Life Saving Club.

During the 2018-2019 season our club has continued to tackle a number of key challenges on many fronts.

This year's highlights include the demolition of our clubhouse and see works underway on the redevelopment. I continue to enjoy the opportunity to meet so many different members, new and not so new from a broad cross section of the club and broader community.

Over the past 3 years as President I'm delighted to say that our people are simply amazing. The enthusiasm and culture is highlighted by how many offers for assistance our members provide in so many ways whenever the call goes out.

For a volunteer organisation to run effectively, we need everyone to put their hands up, roll up their sleeves and make a contribution in any way they can. I encourage everyone involved with our club to take the time to meet with new members, most of which live within our local community. Although we like to consider ourselves a small club, we are a large Victorian club that provides a diverse range of opportunities to members in all areas of Surf Life Saving that can be carried through life.

The core purpose of our club is our Life Saving patrols; however, we understand that people become involved in Life Saving for a variety of reasons and we need to support their involvement to ensure they remain involved. Surf Life Saving continues to change rapidly and as a club we will continue to adjust to the changes Surf Life Saving Australia, Life Saving Victoria and other stakeholders place upon us. To do this we have continued to build capability across all

areas of our club - Life Saving; Training; Competition; Juniors/Nippers; Fund Raising; Administration; Finance & Governance and Building Redevelopment. The one constant in this movement is change and we need to remain flexible and nimble to adjust as the movement continues to evolve.

The single biggest strategic objective on the Board's agenda continues to be the Clubhouse Redevelopment. This very large initiative continues to challenge our Board and Building Project Control Group in many ways. As a club we have lobbied extremely hard with all levels of government and community and have been very fortunate to secure over \$5.1 million in government (Federal, State and Local) funding for our project. We were also the first Surf Life Saving club in Australia to receive funding support from all levels of government for a Surf Life Saving Club, which we were told would never happen. This is something we all need to be extremely proud of, but our fundraising efforts must continue and Brad Papworth continues to do some amazing work in this area.

If you have any contacts that you think would be interested in a community partnership or providing funding support, please let Brad know.

I would also like to thank the clubs Project Control Group (PCG) for their focus and commitment in driving this project under Pete Smith's leadership. Like with all large construction projects, we continue to face lots of different challenges and our team has demonstrated a strong level of expertise in tackling these challenges. I have enormous confidence that this team will oversee the delivery of this project and address any challenges presented with great

professionalism, whilst protecting the clubs interests.

We are all committed to ensure we have delivered the best clubhouse we can as fast as we can.

This year we again came away with a 2nd place at the Victorian Senior State Championships and recently a 1st place at the Victorian Junior Pool State Championships. These were amazing results with such small teams representing the club on both occasions. The structured training programs available to members to improve their skills and competence, put in place by our Competition Manager, Tim Watson is continuing to give members varied opportunities to test their skills and keep people involved with our club. The Masters Club Champs was a highlight seeing some people who have not raced for a while give it a go.

Our Juniors led by Brett Thompson and Nippers led by Kate Walsh have continued to be an integral part of our club and, more broadly, a connection with community through the surf sports and surf education programs we provide. We are looking closely at how we continue to retain our Nipper members to ensure they naturally flow into our patrols in future years and provide the valuable service to the community for many years to come.

The 2nd year of our partnership with the Kids Plus Foundation was again a huge success. With the support of Steve Jewson as our program leader and many of our junior members providing water safety, the Jan Juc Surf Life Saving Club could provide children with cerebral palsy the experience of accessing the beach. After recently

receiving a grant for 2 beach wheelchairs and matting, we believe these vital pieces of equipment will greatly assist with the ongoing running of this program and further improve accessibility and inclusion for other members of the community coming to the Jan Juc beach.

This year the Jan Juc Surf Life Saving Club and the Torquay Boardriders signed an historic MoU to see both clubs look at opportunities to become closer aligned. Both clubs members share a love of the ocean and a close connection by sharing the same beach, so we look forward to working together to find ways to build greater levels of collaboration between clubbies and surfers.

A huge thank you to each of the Board Members responsible for each area, Pete, Mel, Geoff (Rass), Brad, Bec, Davina, Brett (Thomo) and Tim - without their sacrifice and commitment this club would not continue to move forward. A special mention must also go to Sue and Meagan working in our office, your support is greatly appreciated. Finally, I would like to pass on my sincere thanks to all our members, club sponsors, event coordinators, Patrol Captains, trainers, assessors, Age Managers, coaches, Social Manager's, General Committee members, Audit and Risk committee members and Building Subcommittee members for your support this season and look forward to seeing you all back next season.

Go Juc!

Vice President

Peter Smith

This report marks the end of a big year for my portfolio – the building redevelopment.

Reflecting on the year it was not without its challenges, however with the hard work of the Project Control Group, supported by the Board we have made significant progress.

The challenges we have encountered this year include but are not limited to:-

- navigating the external stakeholders approval requirements
- an active commercial building environment in Victoria causing pricing pressure
- locating asbestos that was not detected prior to demolition
- location of limestone karsts and the rectification of those.

The Project Control Group is actively engaged with the Project Manager to navigate these pressures and execute the best outcome for the Jan Juc Surf Lifesaving Club.

The unfortunate outcome of these highlighted challenges is that we will not have full access to the new facility for this coming season. We will have to operate a hybrid style with the finer operating parameters managed closer to the coming summer.

At present we have demolished the facility, completed the large retaining wall on the ocean side and completed the ground works ready for the ground floor slab to be poured in the next two weeks.

I would like to thank the PCG members and the Board for support as we navigate this project.

Board and Committee Members

Board Position	Director	Board Meeting Attendance
President	Aaron Green	10 (1A)

Audit, Finance & Governance Committee 2018/19 Dean Sibun; Stuart Gordon; Ian Sedger; Robert Miano

Attendances were not recorded for the various Sub-Committee meetings that were held during the season.

Secretary

Geoff Thompson

For decades, driving into Torquay at night down past the footy ground and looking ahead slightly to the right there was the light shining on the post at the Clubhouse. Later years, with improved lighting from the second set of lights which floodlit the whole area – and now it is darkness.

After darkness, comes light and for the Club the brightness comes with the future of a shining brand new Clubhouse – Yay!

The trials and tribulations of getting even to a stage of successful grants being obtained; a retaining wall; pads; slab are mentioned elsewhere, but the Board have never lost faith in achieving the final outcome.

The substantial workload and commitment of Aaron Green, Peter Smith, Brad Papworth, Peter Saw and John Van Ooi must be acknowledged.

This season patrols were run out of a compound set up at the start of Clubhouse Rd, with storage of gear in 2 containers and a separate First Aid/Patrol Room being utilised. After a few hiccups, patrollers quickly became accustomed to the setup, which it seems will continue for most of next season. A small price to pay for the end result.

Congratulations to David Ulbrick on being awarded Life Membership to the Club. The presentation was made at the 2019 Presentation Night with Steve Iannazzo providing details of the

impressive history and involvement of David over the years.

I would also congratulate Doug Bartlett who, this year completed his 1000th hour of patrolling at the Juc - not bad for someone who obtained his Bronze on the 14/1/93 to assist with nippers, got the bug and just kept going.

According to the records currently on hand, Doug is the first member to achieve this.

Membership-wise there was a drop off in some areas, especially Associate memberships. Once the new Clubhouse is up and running with usable facilities then the aim will be to recapture lost members and seek new members.

Nippers	242
Cadets	62
Associates	295
Life Members	23
Long Service Members	6
Active Seniors	126
Active Juniors	34
Active Reserve	4
Social	30
Total	822

For now that's another year done and dusted. 2019/20 is approaching very quickly. Be ready!

Life Membership – Dave Ulbrick

Steve Iannazzo, Dave Ulbrick & Andrew Isaac

David was awarded Life membership following consistent high levels of contribution across a broad spectrum of Club activities over a long period.

A 20 year patrol history included 4 years as a Patrol Captain,

1 year as Patrol Vice-Captain, with above average hours achieved in this time.

Committee positions included IRB Manager for 4 Seasons, Juniors Representative, and Lifesaving Services Manager for 2 years - creating various initiations of improvement in those areas.

Competition wise, Dave medalled in State/National titles individually and in teams. He has taken these skills, in conjunction with other senior members, into sourcing/training Members for events such as Open Patrol Competition, Champion Lifesaver, First Aid, etc. Jan Juc teams continue to medal at State/National titles as a consequence of the structures put in place.

Dave has supplied significant legal assistance and advice to the Club and the Board, in particular, involving Building Redevelopment, discipline and other matters as required.

Life Saving Services Manager

Rebecca Johnson

I'd like to begin my report by thanking every club member and their families who completed patrol hours this season. This season, as a club we provided 5446.75 hours of patrol, including 1910.70 hours of water safety patrols. This is 996.60 hours more than we completed last year. The club should be extremely proud of the commitment we all provided this year to maintain a safe aquatic environment on the beach given our lack of club house facilities. In what could have been a very difficult scenario for our patrols, we were able to come together as a club and still provide patrols at Jan Juc Beach for every LSV rostered day this season.

Statistics for the season

Rescues - 19 (down from the previous season, a great indication of the vigilance of the patrols. This is also shown in the increase in preventative actions listed below, rather than rescues).

Preventative actions - 1449 (compared with 1263 in 2017/18).

First aid treatments - 12 (these are recorded first aid treatments. There were obviously many more minor treatments that were not recorded).

Top 10 female and male patrolling members:

Female

Olivia Jenkins	73:45
Zoe Jenkins	70:30
Amanda Scammell	66:45
Bethany Chambers	59:45
Amelia Reyntjes	59:30
Isabella Heather	59:15
Jessica Elliot	58:45
Stacie Bobele	57:45
Tamsyn Reade	57:30
Bella Robinson	56:15

Male

Steve Scammell	87:00
Jason Scammell	80:45
Bri Kelly	79:45
Samuel Dripps	69:00
Adam Scammell	65:30
Indiana Flexman	61:15
Jay Moss	60:30
Freddie Dripps	57:30
Douglas Bartlett	55:45
Finn Dripps	52:30

Our all-female “Pink Patrol” was once again a huge success with some new Bronze Medallion holders joining the patrol this year for another great day on the beach. **Surfside Patisserie** was kind enough to donate afternoon tea for the group again. With a very popular pink theme, we hope to continue this tradition for many years to come.

We also had a family day patrol specifically for members (mainly nipper parents), who had completed their Bronze Medallion and not signed on for a full patrol. It was a great day for some of our nipper parents to see what actually goes on during a rostered patrol and hopefully we can encourage more nipper parents to come along next year and enjoy the day with other members.

Next season, we are looking at making some considerable changes to the existing patrol roster. We will be trialling a new roster system that will be the first of its kind in Australia, and we can’t wait to share it with our members. Stay tuned...

Finally, as always I would once again like to thank everyone in my Lifesaving Services Sub Committee for making my job so much easier throughout the season, if it wasn’t for their support managing each of their respective divisions, the lifesaving department would not have been able to run as smoothly.

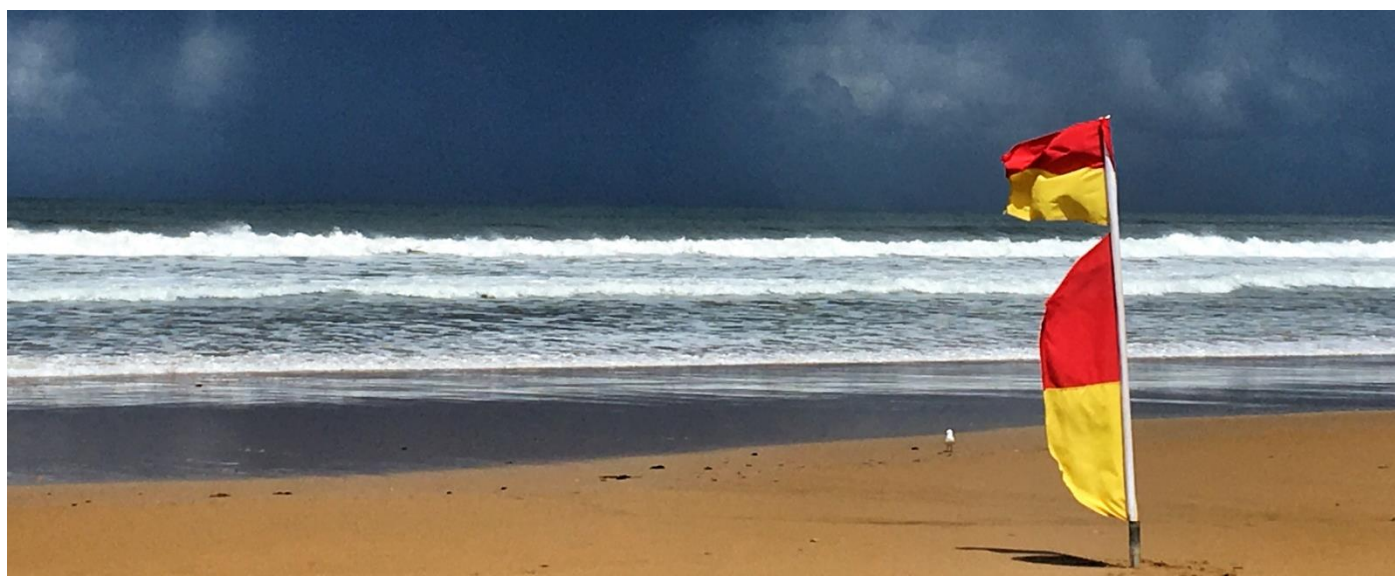

Special thanks to:

Richard Ibbotson - Who took on the role of Gear Manager for the first time this year and maintained the equipment throughout the season.

Jemma Ugrin - Our First Aid Manager, who always does an amazing job ensuring the first aid room and equipment are kept in order.

Rhys O’Brien - Who was also new to his role this year as IRB Manager.

Geoff Thompson - As the SurfGuard Stat’s coordinator.

First Aid Manager

Jemma Ugrin

All things First Aid ran very smoothly from the well-equipped “site hut” first aid room this season. We were very lucky to secure the makeshift first aid room at a discount rate, and to have it kitted out beautifully using the cupboards Rass had stored from the old clubhouse! Great thinking as always, Rass you couldn’t be more helpful, your work is tireless and very much appreciated.

All gear passed inspection without question and overall gear has been maintained very well this season. Thank you to those members who have re-stocked First Aid bags and helped keep equipment clean over the patrol season.

Just a reminder that it is really important to ensure all First Aid/Resuscitation gear is kept dry and sand free. This is so it functions correctly when we need it the most. Of course unpredictable weather and water are par for the course in surf lifesaving, so if any gear does get wet or damaged I just

need to be notified ASAP so I can attend to it promptly.

There were a lot less First Aid incident reports documented this season, 13 in total, which seems exceptionally low for Juc! A reminder to all members that it is a requirement to complete a First Aid log report in detail for all first aid incidents no matter how minor it may seem. This log is a legal record of the treatment and advice provided to the patient. It is the only documented evidence we have that can be called upon if needed to show the actions taken and care given by our members. Please complete the log in detail to the best of your ability in regard to the treatment you delivered and any referral for further care you recommended (regardless of the patients decision to follow your advice). See SOP 4.01- Logs and Reporting.

Looking forward to season 2019-2020!

Lifesaving Skills Development

Davina Jackson

2018/2019 - another successfully busy season in the Lifesaving Award area, amid the challenges of Clubhouse redevelopment; using a variety of external facilities to run our courses, along with Castles Drive office and the containers set up at Juc. This has been manageable. Thank you to all Trainers, Assessors, water safety and helpers who went the extra distance, helping out, preparing equipment and transporting equipment to ensure our courses ran as smoothly as possible. Thanks also to the Torquay Senior Citizens and Torquay SLSC for allowing us to run courses in their facilities. In return we have run First Aid, Advanced Resuscitation and Spinal Management courses for Torquay and the wider region.

332 new awards (only 35 short of the previous season) were conducted by our volunteers from July 2018 through to May 2019. Awards included: Radio; Resuscitation; Provide CPR; Surf Rescue Certificate; Bronze Medallion - Certificate II Public Safety (Aquatic Rescue); Advanced Resuscitation Techniques; First Aid; Spinal Management; IRB Crew and Driver; Silver Medallion Beach Management; Gold Medallion, along with many Training; Assessing; Facilitating; Safeguarding Children and young people; Junior Managers and Surf Sport awards. Certificates have been emailed from SLSA Surfguard to individuals in the month following their assessment. If unsure please check your emails from around that time, or contact LSV Volunteer Training to have them resent. Please make sure the email listed on your membership is correct. You can access your awards "Record of Results" through the Members' Area.

We welcomed 13 new Trainers, both young and mature age. We currently have five probationary Trainers and three probationary Assessors progressing through their awards. These people help to make up a strong Club base of around 30 Trainers, Assessors and Facilitators of various awards.

A further 375 current awards were deemed proficient at 79 annual Skills Maintenance Assessments, predominantly held across November and December 2018, with multiple awards assessed on any given day and most people

completing the theory components online. Well done and thank you everyone for your efforts, in continuing to requalify, enabling you to provide a much-needed service to the community.

Some of the recent changes in the second half of the season include:

- Success with Jan Juc SLSC piloting the new blended delivery to Adult Bronze Medallion candidates in December, ie all theory done at home prior to the course. This success means this blended style course is now an option for all clubs in Victoria going forward.
- For those of you who know what a "form 14" is (LSV summary page for all awards), these ceased being used as of February 1. All awards can now only be processed through the Axcelerate system via the iPad, which then feeds through to Surfguard. This should mean that providing all assessment components are completed correctly, the award should be processed within a few days.
- The Units of Competency for the Inflatable Rescue Boat (IRB) Crew and Driver have been removed after only a few years in the system. This does not alter the components or length of the courses.
- The Provide Advanced Resuscitation Techniques HLTAID007 unit of competency will now be required to be completed every 3 years, much like the current First Aid award, ie a new award undertaken every 3 years, so if you obtained your ART between 2014 and 2017 you will be required to redo the award this season. Look out for LSV run courses around the state over the next few months, both in ART and First Aid.
- Provide CPR HLTAID001 is now an annual requirement, not just for those wanting workplace CPR. This should not be too difficult as it will run as a blended course on Skills Maintenance day to work in with our current CPR format. You will just be required to enrol in a course and do 17 questions at home prior.

- D9 Trainer/Assessor/Facilitator Matrix (Personal Development and record of evidence) – is now annually and due by July 30, 2019, or 2 weeks prior to the next course you are delivering or assessing.
- All LSV resources are having a major overhaul, with us now moving to use Public Training PowerPoints. We envisage a few adjustments may need to be made by LSV over the next 12 months as these are streamlined to our industry workplace. If you would like to provide us with constructive feedback to forward to LSV, please send an email.
- An Australian Skills Quality Authority (ASQA – the governing body for Registered Training Organisations, TAFE sector) update has meant Assessors are required to complete a single unit of competency - Design and deliver assessment skills TAEASS502, whilst Cert IV Training and Assessing holders have upskilled this unit along with Address adult language literacy and numeracy skills TAEELN411.
- There are currently further opportunities for members to undertake the Trainer Enterprise skill set (theory for new Trainers) and Cert IV in Training and Assessing.
- Richard Ibbotson, Jemma Ugrin and Rhys O'Brien and teams for having Lifesaving resources maintained ready for course training. Special thanks to Brett Swan who not only maintained IRBs, but generously drove IRBs for multiple courses and Nipper training Sundays over a four month period.
- Dean Sibun and Anthony Reyntjes for their leadership in running IRB courses and mentoring new Trainers through. Mal Leigh-Smith spent much time preparing and presenting a report on success, hurdles and suggestions for sustaining members and their lifesaving awards to ensure we continue to provide our community beach service and growth within the club and extended community growth.
- Our core group of senior mentoring Assessors and Trainers for sharing the workload and supporting our growing team; making my job much more achievable. Thank you for giving your time and experience, particularly during your annual leave!
- Will McCance, as Training and Assessing Manager, who continued to lead and mentor the Trainers and Assessors development, along with Facilitating courses himself and sharing the administrative burden of award processing and record keeping.
- Geoff 'Rass' Thompstone continues his many hours of administration in Skills Maintenance processing, along with Sue Bettanin, Kathryn O'Bree and Meagan Mifsud for behind the scenes tireless administrative and financial work.
- Dean Hemburrow, Deb Lowe and Amelia Sanchez and Volunteer Training team at LSV who have moved on to new endeavours. We wish them all the best and thank them for their tireless efforts over the past seven years.

Congratulations to quadruple TOFF award winners, Sophie Costa, Sophie Gordon, Drew Green and Kiah Shanahan, all gaining multiple awards and scoring 90 points each for the season. A great effort! Congratulations to Olivia Jenkins and Jason Scammell for receiving Most Outstanding Junior awards, both happily providing water safety and scenario training in Bronze Medallion and Surf Rescue Certificate courses.

Special mention and thank you to several people who have played major roles in our success this season:

- Steve Scammell & Brett Thompson and all the helpers and parents at SRC course who helped with water safety, food and resource prep and First Aid scenario training. Our Junior/Cadet members were fabulous helpers, giving up their school holiday time to help.
- Bronze Medallion and Development Camp Managers, Grace Lightfoot and Indy Flexman and their hard working team for delivering another successful and action packed December Bronze Medallion Camp. A successful new day camp format at Torquay SLSC, learners enthusiastic to arrive each day and trainers and helpers making it through the week without one illness. Thanks to the parents, who helped throughout the week
- Everyone involved with all other awards and Skills Maintenance days, without whom we would not function to provide these opportunities.

LSV has undergone some management restructuring and we now welcome Andy Dennis - Public Training and Safety General Manager, Micah Spedding - Volunteer Training Manager and team.

As we envisage the Clubhouse redevelopment will continue on throughout the 2019/20 season, it is presumed the timetabling, format and location of courses will be somewhat similar to this season gone. We hope further opportunities for area courses will be available through the new LSV format shortly.

Special Event First Aid. Thank you again to our skilled awesome First Aid teams who have helped at Carnivals and particularly our 21st Danger Swim Series and 16th Bells Bash. Your time, effort and expertise are truly appreciated.

Training & Assessment

Will McCance

Another year down and our Training and Assessment team has been busy planning, delivering and reviewing courses to ensure we can continue to deliver high quality service to beach goers and meet our patrolling requirements.

Outside of delivering the courses/awards outlined in Davina's report, our Trainers and Assessors have been busy attending numerous planning, training and development sessions at both a local and state level to complete their professional development requirements. Without which we are unable to maintain our training and assessing awards and hence unable to train or assess courses/awards. It should be noted that our Facilitators have been busy this season in completing their Cert IV upskill, in response to changes in RTO requirements.

This year we welcomed several new Trainers who have done a fantastic job in assisting our Training and Assessing team in the delivery of numerous awards (i.e. SRC, Bronze, ART, First Aid and IRBC/D). Becoming a Trainer is no easy feat and requires a lot of time and dedication to complete the required units before you can begin training. As per last year, there has been limited opportunities for

members to gain their assessor or facilitator skill sets and has meant we still have a shortfall in the number of Assessors and Facilitators. This is an ongoing challenge for the Club and one that is outside the control of the Training and Assessing team given this relies on State run courses.

The Training and Assessing environment is extremely complex and one that is constantly changing. As such, I must commend all Trainers and Assessors who have stuck with us this season, many have given up a lot of time to ensure all the lesson plans, relevant paperwork and evidence is compiled for each course. This is no easy feat and often done outside of the classroom.

Finally, thank you to all our Trainers and Assessors who have given up their time throughout the season to make our courses possible, with a special mention to Grace and Indy who did a fantastic job in the planning/coordination of Bronze Camp without a Club House. We hope to see you all again next year and hope we can continue to facilitate the provision of new awards, knowledge and skills.

Awards Gained

2018/2019

Surf Rescue Certificate (25)

Sachi Bridgeford	Will Gibb	Charlie Newman	Harry Stott
Sophie Coleman	Ella Grant	Charlie Papworth	Sam Thompson
Sarah Currie	Lulu Higgins	Stephanie Reade	Archie Watson

Nippers Manager

Kate Walsh

Over 250 children were involved in the Jan Juc SLSC Nipper Program throughout another successful and busy season in 2018-19.

The Nipper training program began in mid-October for U8-U13 participants who were keen to increase their surf lifesaving skills, keep fit, and represent Jan Juc at carnivals and the Victorian State Championships (for U9-U14) which were held in Lorne on the weekend of 23-24 February. We had a large number of nippers competing throughout the season, with large numbers of teams and individual competitors qualifying for the State Championships, always a fun weekend to end the season! It was disappointing that this season a number of team events were cancelled at the Junior Victorian State Championships due to conditions being deemed too dangerous by Life Saving Victoria. We had a lot of disappointed nippers who were hoping to win a few medals in the team events!

Our Surf Education program once again commenced just after Christmas for two weeks including the annual door knock, first aid night, and beach and surf lifesaving activities for U7-U13s. This is the first year that we have included U7s as part of the Summer Intensive Surf Education program. The summer program took on a different look this season with no clubhouse to use as a base due to the redevelopment. We utilised a number of community venues to accommodate our program including the Surf Coast Sport and Recreation Centre for our First Aid night and the Jan Juc Cricket Club for our Welcome BBQ, Door Knock and Surf Education Award Presentation Night. The door knock was once again a huge fundraising success raising over \$5,000 for the club. A big thank you to Paula Barnard for her organisation of the door knock again this year.

The Surf Education program was again ably co-ordinated by

Steve Scammell and I thank him for all of his hard work in putting together a program that was thoroughly enjoyed by all of the kids who attended. Thank you also to Marcelle Korth who once again worked tirelessly behind the scenes to put together the Surf Education booklets which are an important part of helping our Nippers to achieve their Surf Education certificates.

One of the highlights of the Surf Education program for our kids is always the First Aid Night! Thank you to the paramedics who volunteer their time to come along and teach the Nippers in such a fun and informative manner. The Summer Surf Education program would not be possible without the dedication of the age group leaders, juniors from the club who have previously completed the Nipper program, who then come back to help and encourage the younger members to learn and improve their life saving skills. We can't thank you enough for being such wonderful role models for the up and coming members of our club. We also thank all of the parents who came along and led different components of the Summer program along with the Age Group leaders.

Our Coaches and Team Managers for our competition program volunteer their time each Wednesday and Sunday (as well as on Carnival weekends) to coach the kids, as well as working on training programs and picking teams throughout the week. They are such a dedicated group of parents who work tirelessly throughout the season to give our Nippers the best opportunities to improve both their life saving and competition skills, as well as being so supportive of all of the kids despite the huge variation in abilities that they are faced with.

A huge thank you to everybody who has helped out with Nippers this season including coaching, team managing,

water safety (especially those parents who have newly achieved their Bronze medallion this season just so they can hop in the water and help out), carnival officials, first aid, trailer packing and towing, helping out on the BBQ... every little bit helps!

A special thank you to the group of 10 parents who put their hand up to complete the Officials course at the last minute to ensure we had enough officials to allow our large number of competitors to compete at the Victorian State Championships. We encourage more parents to challenge themselves to take on a new role helping out next season!

A few more special thank yous must go to:

- Anthony Reyntjes who once again took on the role as board manager this season. This is a challenging role,

Greg Touzel Nipper Surf Education Awards 2018-19

U7 Matilda Thomas	Louis Badelow
U8 Alice Walsh	Daniel Lim
U9 Maeve Crawford	Yuma Razal
U10 Lindy Baas	Dylan Rayner
U11 Sarah Scammell	Charles Edmonds-Wilson
U12 Ginger Elkins-Priest	Matthew Lim
U13 Shavanni Herd	Oscar Bradshaw

especially with the growing numbers of Nippers and the demand for use of club boards!

- Jodie Reyntjes who was not only the U11 team manager but also continued in the role of the Nippers Catering Co-ordinator, organising the BBQ for hungry Nippers at the end of training sessions, and also organising the food for our special Nipper nights.
- Brett Thompson, the Juniors Manager who supported and provided me with advice throughout the season as Nippers Manager.
- Sue Bettanin in the office who is amazingly organised and has helped me in so many ways!

We look forward to another fun season in 2019-20 and can't wait to have a new clubhouse to house our growing Nipper contingent!

Junior Club Captain

Emma Threadgold

Another fantastic effort from all our junior members from the 18/19 season. SRC candidates, Bronze candidates, training and assessing qualifications have been gained by our junior members. Along with successful carnival contributions, general social club support as fundraising

volunteers and efforts as patrol members.

We congratulate all our juniors for their effort this season and urge them to continue getting involved within our surf club community.

Junior Pool Championships

Jodie Reyntjes

There was fabulous swimming, lots of laughs and great results by the Jan Juc Junior Pool Comp team right throughout season 18/19.

At the Junior State Championships, on 24 June 2018, the small team of 12 swimmers took out second place overall.

Big thanks to Will Paatsch for coaching and to parents and siblings who helped with timekeeping, set up, pack up, official role and equipment handling.

Senior Pool Championships

Jodie Reyntjes

Congratulations to Freddie Dripps (U16 Victorian State Team) and Jas Happ, Luka Mathe and Tallulah Rush (Victorian State Development Squad) who were selected to compete at the RLSSA Australian Pool Lifesaving Championships in Sydney in January with excellent results.

Luka Mathe was selected in the 2019 RLSSA Junior Barras Development Squad.

Again thanks to Will Paatsch for coaching the senior team and parents for filling officials and time keeping positions.

Senior Competition Manager

Tim Watson

It's been a fantastic year for the competition area, backing up from last season at the Victorian Championships with a 2nd place on the points table, across the lifesaving, surf and beach areas.

This year saw us merge our training with Torquay SLSC, this provided us with larger and more competitive training groups and pooled resources, this was very successful and I thank Torquay SLSC for being open to the idea and letting us use their facilities whilst we were limited due to the re-development.

A big congratulation goes to our coaching staff, team managers, officials and IRB crews.

Coaches/Team Managers:

Board/Iron Zeb Walsh
Ski Mitch Payne, Jay Moss
Beach Julian Kirk
Surfboat Shayne Lee, Brett Thompson
Pool Comp Jodie Reyntjes/Will Paatch
Life saving Indy Flexman, Dean Sibun
Beach Julian Kirk, Peter Van Till
Officials Daryl Moss, Ian Blanchonette
IRB Crew Rhys O'Brien and his team

Training

We had 42 people through training, Training consisted of 3 board sessions, 3 ski sessions, 1 iron session and 1 beach session and was run between Jan Juc, Torquay and Cosy corner.

Victorian Representatives

Freddie Dripps was selected in the Victorian RLSSA pool team

Drew Green, Henry Van Til were selected in the Victorian interstates team

Jas Happ and Steph Reade were selected in the Victorian team to compete at the youth Pathway cup in Manly.

Victorian RLSSA Pool State Development Team - Jasmine Happ • Tallulah Rush • Luka Mathe

Carnival Numbers:

Ocean Grove	36	Altona Beach	3	Club Champs	29	Aussies	22
Anglesea	48	Mordialloc	13	Masters	19		
Torquay Craft	6	Pt Leo	9	States	58		

Another change saw the U14's join the senior ranks, competing at senior carnivals and train with the seniors, leaving the nipper ranks behind, whilst this had various challenges I believe the move was very successful.

Our boat section has been the fastest growing area this year with numerous crews of open men, women and age group men and women; this has been largely due to the hard work Shayne Lee and Brett Thompson have put in to bring Jan Juc back to a powerful surfboat area.

Gold 60-64 1km Beach Run - Daryl Hauenstein
World Championships

We have had a fantastic year and I would like to thank everyone involved in the competition area who has helped at carnivals as a team manager, help set up

marquees, towed trailers, cooked breakfast, etc, your input has been very much appreciated. Looking forward to seeing what 2019/20 season brings.

This year the Australian Surf Life Saving Titles were held at Broadbeach on the Gold Coast, we had 29 competitors from U14 through to Masters, competing in surf, beach, lifesaving, surfing and surfboat competitions.

especially our 180 years Masters Boat crew of Wes Avery, James Edmunds, Shayne Lee, Tony McKenna and Brett Thompson who won a bronze medal and to Daryl Hauenstein who won gold in the 2km run.

Well done to all our competitors representing Jan Juc

Sponsorship & Fundraising Manager

Brad Papworth

Thank you to everyone who has volunteered, participated in and contributed to another great year of events and fundraising.

We are in an extremely fortunate position as a club to own and successfully run all of our hallmark events through our club members great support. Not many clubs can boast to have a major swim, run, golf day and grand final eve function that contribute significantly to the running of their club. These are events, some that have been running for over 20 years, that we need to continue to innovate and foster their appeal to not only club members but also our local community.

Season 2018/19 has seen a major push on securing more funds for the redevelopment of our new clubhouse. Through the lobbying by key board members and members we were able to raise a further \$250,000 through the Federal Government, \$600,000 from the State Government and \$250,000 from the Surf Coast Shire. This has made us one of the very few surf clubs to secure all levels of government funding support. This has now taken our government funding to \$5,100,000 plus the

FUNDRAISING

The Club conducts various fundraising events to assist with the day-to-day running of the Club. These events have varied objectives with some to contribute financially and others to bring our members together socially and enjoy

\$1,000,000 contributed by the club. This is an achievement as a club we should be extremely proud of.

Unfortunately, the fundraising doesn't stop there and with construction well underway we still need to raise a further \$400,000 to assist with the final fit out of the building. As I write this report, we have already made inroads into this amount but will still require the support of our members and philanthropic partners to reach this goal. This is a once in a generation project and great opportunity for our members to contribute to this fantastic new facility.

SPONSORSHIP

The sponsorship space continues to be highly competitive with limited funds to go around for so many groups in our community. We greatly appreciate the support we obtain from our very loyal and dedicated sponsors.

I would like to recognise these companies for their continued support of our events and programs and encourage our members to support their services or products whenever you can.

- Surf Coast Times
- Fox FM

- Torquay Rotary
- IBM
- Local Mix

the Club environment.

Again, our hallmark events contributed significantly to the revenue for the Club.

AFL Grand Final Eve Luncheon

The 5th Annual AFL Grand Final Eve Lunch was held at the RACV Resort Torquay last September. Andrew 'Flash' Flanders, as event manager, again delivered with the talent and entertainment on offer for the day. The event continues to be a 'must attend' event by not only members but, most importantly, non-members and corporates.

We would like to thank Hocking Stuart Torquay as our major partner for our 2018 event.

Danger Swim Series and Bells Bash

The Danger and Bash continue to be our most high profile events for participation and member engagement on the season calendar. It was fantastic to see over 300 of our members put their hand up to assist with the running of these events over 2 gruelling days – in the midst of a very busy week for the Club. Our volunteers come from a broad cross section of the Club but with a common goal to have fun and host 2 great events.

We continue to evolve and modify the operation of the events with the goals of growing participation, keeping costs under control and participation safety.

The feedback from our competitors was extremely positive and highlights the professionalism of our volunteers and our event management. This feedback reinforces our commitment to continually improve both events.

The Juc Golf Classic

Daryl Moss continues to take the Golf Classic from

strength to strength. Daryl set the target of a sell out again and achieved this comfortably with 30 groups teeing up on the day.

The day was a great success from the venue to the on-course entertainment to the post round meal and entertainment.

Congratulations to Daryl and his team of volunteers who again raised the bar.

Nippers Door Knock

This is a fantastic opportunity for our Nippers to assist with Club fundraising and understand the importance of it to the Club. Kate Walsh and her group of co-ordinators and counters did another stellar job of organising the Nippers and ensuring the day was a success. Thank you to all who participated and you should be proud of again raising over \$5,000 on the day.

Intersection Collections

Thank you to Dylan Wissel who took on the role this year to co-ordinate our 3 intersection collections. Dylan was a new member and did a stellar job in rallying our members to volunteer over the 3 days.

Club Shop

Thanks to Vikki McCoy and Kellie Papworth and their team of helpers. The girls have done a fantastic job with our merchandise range over the past 12 months. They have now decided to pass the baton onto a new team for the 19/20 season. I would like to thank them for their great service over the past 3 seasons.

Annual Result

The Club reports a profit for the 2019 year of \$1,024,820. This compares to a loss for 2018 of \$97,790. Both years contain significant non-operating items relating to the redevelopment of the clubhouse. The current year profit is after recording \$950,000 as capital grant revenue associated with the clubhouse redevelopment. The 2018 loss is after a non-cash expense item of \$293,871 associated with the write down of clubhouse assets. Club redevelopment costs have been capitalised and are reflected on the balance sheet, not in the annual profit and loss statement. Excluding capital grant revenue, the underlying profit for 2019 was \$74,820.

Business as usual – ongoing operational

Again, the 'business as usual' areas of the club have been very stable financially. Clubhouse activities, lifesaving services, lifesaving skills and development, juniors, competition and operational capital equipment expenditure have all reported stable, predictable financial outcomes.

Income and expenses across these core club activity areas showed little unexpected material variance over levels of income and expenses in 2018. Notable areas of variance over 2018 include:

- Rental costs associated with our temporary premises at Castles Street.
- Reduction in bar income and associated costs following clubhouse demolition.
- Additional salaries cost with costs associated with supporting the move, ongoing shop support and onboarding and training new office admin support.
- Reduction in interest income as a result of lower average cash investments and lower interest rates

There were no other significant business as usual variances of note. Sound monitoring and cost control by club committee and executive have ensured no surprise outcomes across core areas.

Fundraising and Events

Brad Papworth and the fundraising team delivered another solid year of fundraising events, with combined 2019 income from our core events (Danger Ocean Swim Series, Bells Bash Cliff Run, Golf Classic Day and Grand Final Eve Lunch) being \$157,521. This is just behind our combined 2018 income of \$165,698. Lower Golf Day

revenue was the most significant contributor to this difference. The combined net profit from these events was \$68,297 which is down on the \$84,892 achieved in 2018 and more in line with the \$75,510 achieved in 2017.

Clubhouse Development Activity

The Club has maintained a focus on philanthropic activity as our clubhouse redevelopment progresses. Our project finances have continued to benefit from this activity with clubhouse donation income (including for treads) totalling \$52,230 this year. This compares to \$116,100 in 2018. As redevelopment work progresses, our capital grants funding has also commenced to flow. The \$950,000 capital grants revenue recorded for the year comprises \$500,000 from Victorian government grants, \$200,000 from Federal Government grants and \$250,000 from Surf Coast Shire grants.

In 2018 the carrying value of the old clubhouse assets and fixtures and fittings was written off with a net impairment cost to the club of \$293,871. During 2019, as works continue on the redevelopment, the club has incurred \$279,994 in project redevelopment costs which have been capitalised, bringing total redevelopment costs capitalised to \$521,378 as at 30 April 2019. Subsequent to year end a further \$1,051,042 (inc. GST) has been paid to the main works contractor, as a first progress payment under their contract. At year end, the club has estimated its capital commitments under existing contracts associated with the redevelopment to be approximately \$6,140,000. These commitments will be funded from a mix of club funds, undrawn government grant commitments, borrowings and continued philanthropic efforts.

Maintaining our operating assets – continued investment

The Club purchased \$37,150 in equipment during the current year including one Thundercat rescue craft, 2 IRB motors, 1 IRB fuel cell and a Patrol equipment trailer.

Thank You

Thanks to our bookkeeper Meagan Mifsud (and to Sue Bettanin as her support) in the maintenance of our general ledger and supporting financial records. It has been an uneventful year in that respect, which is a sign that systems and processes are working as they should and that the club is maintaining full and timely visibility over its finances and associated reporting.

NOTES TO AND FORMING PART OF THE ACCOUNTS

NOTE 1 - STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Act Victoria. The committee has determined that the association is not a reporting entity. The financial report has been prepared on an accrual basis and is based on historic costs and does not take into account changing money values, or except where specifically stated, current valuations of non-current assets.

Fixed Assets

Buildings are brought to account at cost or at independent valuation.

Depreciation

The Committee have endorsed a policy of depreciating fixed assets using the straight line method rather than the diminishing value method.

The depreciation rates used for each class of depreciable assets have remained the same and are:

Class of Fixed Asset	Depreciation Rate
Buildings	2 - 10%
Plant and equipment	10 - 33%
Furniture and fittings	10 - 20%

Inventories

Inventories consist of clothing, bathers and bar stock which are measured at the lower of cost and net realisable value. Costs are assigned on a specific identification basis and include direct costs and appropriate overheads, if any.

NOTE 9 - BUILDING REDEVELOPMENT

The Surf Club continued its preparation for the redevelopment of the Clubhouse during the year. The old clubhouse was demolished, construction was successfully tendered and main works on the site commenced. During the year club incurred and capitalised \$279,994 of development costs and carries total capitalised costs of \$531,378 at the end of FY19 (FY18: \$241,383). At year end, the club has estimated its capital commitments under existing contracts associated with the redevelopment to be approximately \$6,140,000. These commitments will be funded from a mix of club funds, undrawn government grant commitments, borrowings and continued philanthropic efforts.

NOTE 10 – GOODS AND SERVICES TAX AND TAX REFORM

The Surf Club is registered for Goods and Services Tax which is remitted on a cash basis. The Surf Club is also endorsed by the Australian Taxation Office as an Income Tax Exempt Charitable Entity and as a Deductible Gift Recipient.

NOTE 11 – ASSOCIATION DETAILS

Jan Juc Surf Life Saving Club is an association incorporated under the Victorian Associations Incorporation Act and is domiciled in Victoria.

INDEPENDENT AUDITOR'S REPORT

To the members of Jan Juc Surf Life Saving Club

Report on the Audit of the Financial Report

Opinion

I have audited the accompanying financial report, being a special purpose financial report of the Jan Juc Surf Life Saving Club., which comprises the Income Statement, Balance Sheet, Cash Flow Statement, Notes to the Financial Statements for the financial year ended 30th April, 2019.

Basis for Qualification

As is common for organizations of this type, it is not practicable for the Jan Juc Surf Life Saving Club to maintain an effective system of internal control over monies received until its initial entry in the accounting records. Accordingly, my audit in relation to cash receipts was limited to amounts recorded.

Auditor's Qualified Opinion

In my opinion, subject to the effects of such adjustments, if any, as might have been determined to be necessary had the limitation discussed in the qualification paragraph not existed, the financial report of the Jan Juc Surf Life Saving Club presents a true and fair view of the results of the Jan Juc Surf Life Saving Club operations and cash flows for the year ended 30 June, 2019 and its financial position as at that date in accordance with the accounting policies described in Note 1 to the accounts.

Basis for opinion

I conducted my audit in accordance with Australian Auditing Standards. My responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of my report. I am independent of the entity in accordance with the *Associations Incorporation Reform Act 2012 (Vic)* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our my audit of the financial report in Australia. I have also fulfilled my other ethical responsibilities in accordance with the Code.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Emphasis of Matter - Basis of Accounting

Without modifying my opinion, I draw attention to Note 1 of the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the Board's financial reporting responsibilities under the *Associations Incorporation Reform Act 2012 (Vic)*. As a result, the financial report may not be suitable for another purpose.

Responsibility of the Board of Management for the Financial Report

The Board of Management responsible for the preparation and fair presentation of the financial report in accordance with the requirements of the *Associations Incorporation Reform Act 2012 (Vic)* and for such internal control as the Board members determine is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error. In preparing the financial report, the directors are responsible for assessing the Club's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the Board members either intend to liquidate the Club or to cease operations, or have no realistic alternative but to do so.

The Board of Management is responsible for overseeing the Club's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Report

My objective is to obtain reasonable assurance about whether the financial report, as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that audits conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with Australian Auditing Standards, I exercise professional judgement and maintain professional scepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our [my] opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the registered entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by responsible entities.
- Conclude on the appropriateness of the entities' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the registered entity's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

I communicate with the Board regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

Margaret Leigh, CPA
