CLUB FEES SCHEDULE 2023/2024 SEASON

The Jan Juc Surf Life Saving Club is a 100% volunteer run organisation and depends entirely on membership, fundraising and donations to keep lifesavers on the beach and deliver our leading education and training programs.

The Jan Juc Surf Life Saving Club was founded in 1963 and continues to serve the communities of Jan Juc, Torquay and surrounds. With over 1,200 members, Jan Juc SLSC is solely responsible for patrolling Jan Juc Beach.

The Jan Juc SLSC is largely self-funded via four major events – the Grand Final Eve Luncheon, the Golf Classic, the Bells Bash Cliff Run and the Danger Ocean Swim Series. The entire Club comes together to stage these events which are the major fundraisers for the Club.

Our club has a rich and successful history in all areas of competition at both a state and national level. Our success branches from Patrol and Lifesaving, Pool Lifesaving and Rescue and all areas of Surf Life Saving Competition. Our Club consistently performs well in Victorian patrol proficiency competitions and our training and education programs are among the best in the state, ensuring some of the very best surf lifesavers are looking after our beach and community.

Our Surf Education Program is one of the best in the

state, teaching children aged 6 to 12 surf awareness, surf safety, basic first aid and rescue techniques. It not only teaches children how to look after themselves in an aquatic environment, but also how to assist someone else who may be in difficulty. They learn how to spot the dangers of the surf, such as rips and waves and also have fun competing in surf lifesaving sports such as swim and board races, beach flags, beach relays and beach sprints. Some children use this program as a holiday program, but many continue on to become qualified surf lifesavers, giving back to the Club and the Community.

Go Juc!
